AUGUST 22, 2005**

A workshop meeting of the Saugatuck Township Fire District was held on Monday, August 22<sup>nd</sup>, 2005 at the Fire Station. The meeting was called to order at 7:30 p.m.

Present: Bill Kaye, Jerry Bekken, Lance Winchester and Reggie Smith.

Absent: Cliff Asbel.

Also Present: Chief John Blok.

**AUDIENCE**

None.

**CHIEF'S REPORT**

1. Asbel contacted the Chief to let him know he was sorry to be unable to attend meeting.
2. 368 calls to date, 317 same time last year.
3. Hose truck has been painted, loaded with hose, and is now in service. This truck will provide us with enough storage for the larger hose size and will be a tremendous boost in our firefighting efforts. The board went down to see what a great job Joe Fucile did on revamping the truck and completing this project.
4. On Saturday, August 13, several members of the department volunteered to clean fish for the Waypoint/Tower Marine fishing tournament. Approximately 350 pounds of fish were cleaned and frozen to be used for our annual Fire Prevention Week Open House to be held on October 9.
5. Checking with Tom Harrington reference the chicken for the Open House.
6. Greg Janik has arranged to have Flametamer Fire Protection Company attend our Open House. The community will be invited to bring their fire extinguishers in for a free inspection provided by Flametamer Fire Protection.

There being no further business, **Motion by Kaye/Bekken to adjourn at 8:20 p.m.** Motion carried unanimously.

Respectfully submitted by Lance Winchester.
